

DELIVERING RESULTS, RELIABILITY, & ROCK SOLID DEPENDABILITY.

SERVING INDUSTRY FOR OVER 10 YEARS

At Honey Bee Dynamics we are not just another vendor – we are your partner. With over 10 years of industry experience, we offer commercial floor equipment repair and maintenance services. We also install new equipment and provide staff training in preventative maintenance and safety.

We are your **PARTNER!**
Not just another vendor!

"We are an authorized national warranty service center provider for all major floor equipment brands. We service all four major Islands. Give us a call today so that we can help you repair your equipment while keep your repair cost low".

Shota Mkheidze

CEO SHOTA MKHEIDZE

PREVENTATIVE MAINTENANCE

Our preventative maintenance program will ensure your operation is running without interruption - Allowing your employees to focus on continuing delivering exceptional service while we ensure your equipment is performing at optimal condition.

TROUBLESHOOT DIAGNOSTICS

The ultimate goal of our troubleshooting/diagnostic is to verify problem, identify cause and provide an ultimate solution to fix problem timely and in the most cost-efficient way.

EQUIPMENT REPAIR

Our technicians provide service for a variety of floor cleaning equipment, carpet extractors, vacuum cleaners, shopping carts, lawn mowers, pressure washers and other commercial equipment. We specialize in electric, gasoline and propane engine equipment.

ORDERING PARTS

As a distributor of all major floor cleaning equipment brands, we have access to all necessary replacement parts. That means we carry parts of virtually any make or model of commercial floor equipment and guaranty right part at a right price within a right time.
