HydroTube

Ultra-Pure Water Window Cleaning System

4 Hour	Per Day	Per Week	Per 4 Weeks
—	\$125	\$375	\$1,125

The HydroTube™ offers a better, faster way to clean windows up to 5 stories safely from the ground. The unique linear design (patent pending) allows us to build a sophisticated high volume reverse osmosis DI water purification system all in one portable tube. The result is spot free windows at a fraction of the cost and time of any other system.

Rental Protection Program

Our Rental Protection Program (RPP) includes equipment maintenance package.

- ❖ Equipment maintenance/service check in every 15 days
- ❖ Employee training in safety practices

Cost is only 15% from total rental cost. It is free for minimum rental 4 month and more

Rates do not include a delivery charge. Add 50 dollars within a 10 miles radius. Add 100 dollars within a 30 mile radius. Add 150 dollars within a 60 miles radius. Add 200 dollars within a 90 mile radius. These rates may be modified higher or lower based on length of rental and flexibility of delivery. Emergency or weekend delivery rates are one and a half the rates listed

Terms and Conditions

1. Rates listed are for a single shift, daily operation. Hour meter readings will be taken at the beginning and end of the rental period. Extra charges will be assessed when time exceeds a 6 hour day, 36 hours per week, 144 hours per month. Call to terminate open ended rentals.
2. Rental rates do include routine maintenance service with no extra charge for labor, travel, or wear parts (normal use). Renter is responsible for the daily maintenance checks of fuel, engine oil, coolant, battery fluids and battery charge levels. Where machine repairs are necessary, and are the result of operator abuse, additional charges will be assessed based on our normal rates for labor and parts. You will be invoiced for missing machines, chargers, brooms, brushes, accessories, propane tanks, or other items lost due to theft, misplacement, or neglect.
3. Listed rental charges do not apply to machines used on extremely abrasive surfaces, a brush/squeegee surcharge will be added when blacktop surfaces, ridged concrete, or traction surfaces produce unusual brush or squeegee wear. Where these conditions exist, you may ask for an advance quotation based on possible wear.
4. Acid etches and extremely caustic strippers may corrode painted metal surfaces or damage poly tanks. Orange solvents, (used in some cleaning solutions), will dissolve rubber or plastic components. Such damage to equipment will be considered operator abuse.
5. Rates do not include a delivery charge. Add 50 dollars within a 10 miles radius. Add 100 dollars within a 30 mile radius. Add 150 dollars within a 60 miles radius. Add 200 dollars within a 90 mile radius. These rates may be modified higher or lower based on length of rental and flexibility of delivery. Emergency or weekend delivery rates are one and a half the rates listed.
6. Vacuum motors on scrubbers are subject to damage when the recovery tank capacity is exceeded, when excessive foam builds up in the recovery tank, or when dry debris is picked up during transport over a dry surface. Such damage is considered operator abuse.
7. Honey Bee Cleaners, LLC will clean your rental equipment as part of your service. Please rinse off rental machine after use, and empty tanks and hopper at your job site prior to our pickup. Dried concrete, paint and sealer residue, or other permanent damage to the machine surface, will be treated as operator abuse and will be subject to additional charges.
8. A full battery charge or initial fuel supply is included with rentals. Any extra fuel or battery recharge, is the renter's responsibility. Arrangements may be made with Honey Bee Cleaners, LLC regarding the use of battery chargers or the purchase of extra propane tanks.
9. Transport of the rental machine to other locations without notification to Honey Bee Cleaners, LLC is prohibited.
10. Operator training is included at no extra charge when completed with the machine delivery. Other arrangements are available. Renter accepts and understands that Honey Bee Cleaners, LLC has either offered, or provided, training and safety instructions for our equipment. By acceptance of this agreement, you are acknowledging your responsibility for its' care and safe operation.
11. Rental equipment is sent to your site with the understanding that it is ready and suitable for its' intended use. If equipment fails, Honey Bee Cleaners, LLC will make every effort to repair or resolve any problems in a timely manner. Acceptance of our agreement confirms your understanding that Honey Bee Cleaners, LLC will be held harmless for lost productivity or financial damages due to contract completion delays.
